FILLERS (YVOIRE)

Hyaluronic acid fillers offer remarkable benefits, rejuvenating the skin by restoring lost volume and reducing wrinkles. They provide a non-surgical, minimally invasive solution for plumper lips, smoother lines, and a youthful appearance. The results are immediate, and the procedure typically involves minimal downtime, making it a popular choice for facial enhancement.

\$450 USD

Only applied in the clinic | Application at home not available.

ELLANSÉ (COLLAGEN BIOSTIMULATOR & VOLUMIZER)

Ellansé, a unique dermal filler, offers impressive benefits by stimulating collagen production. It provides immediate volumizing effects for a youthful appearance and longer-lasting results as collagen continues to grow. Ellansé restores facial contours, smooths wrinkles, and offers a natural-looking, revitalized appearance, making it a popular choice for facial rejuvenation.

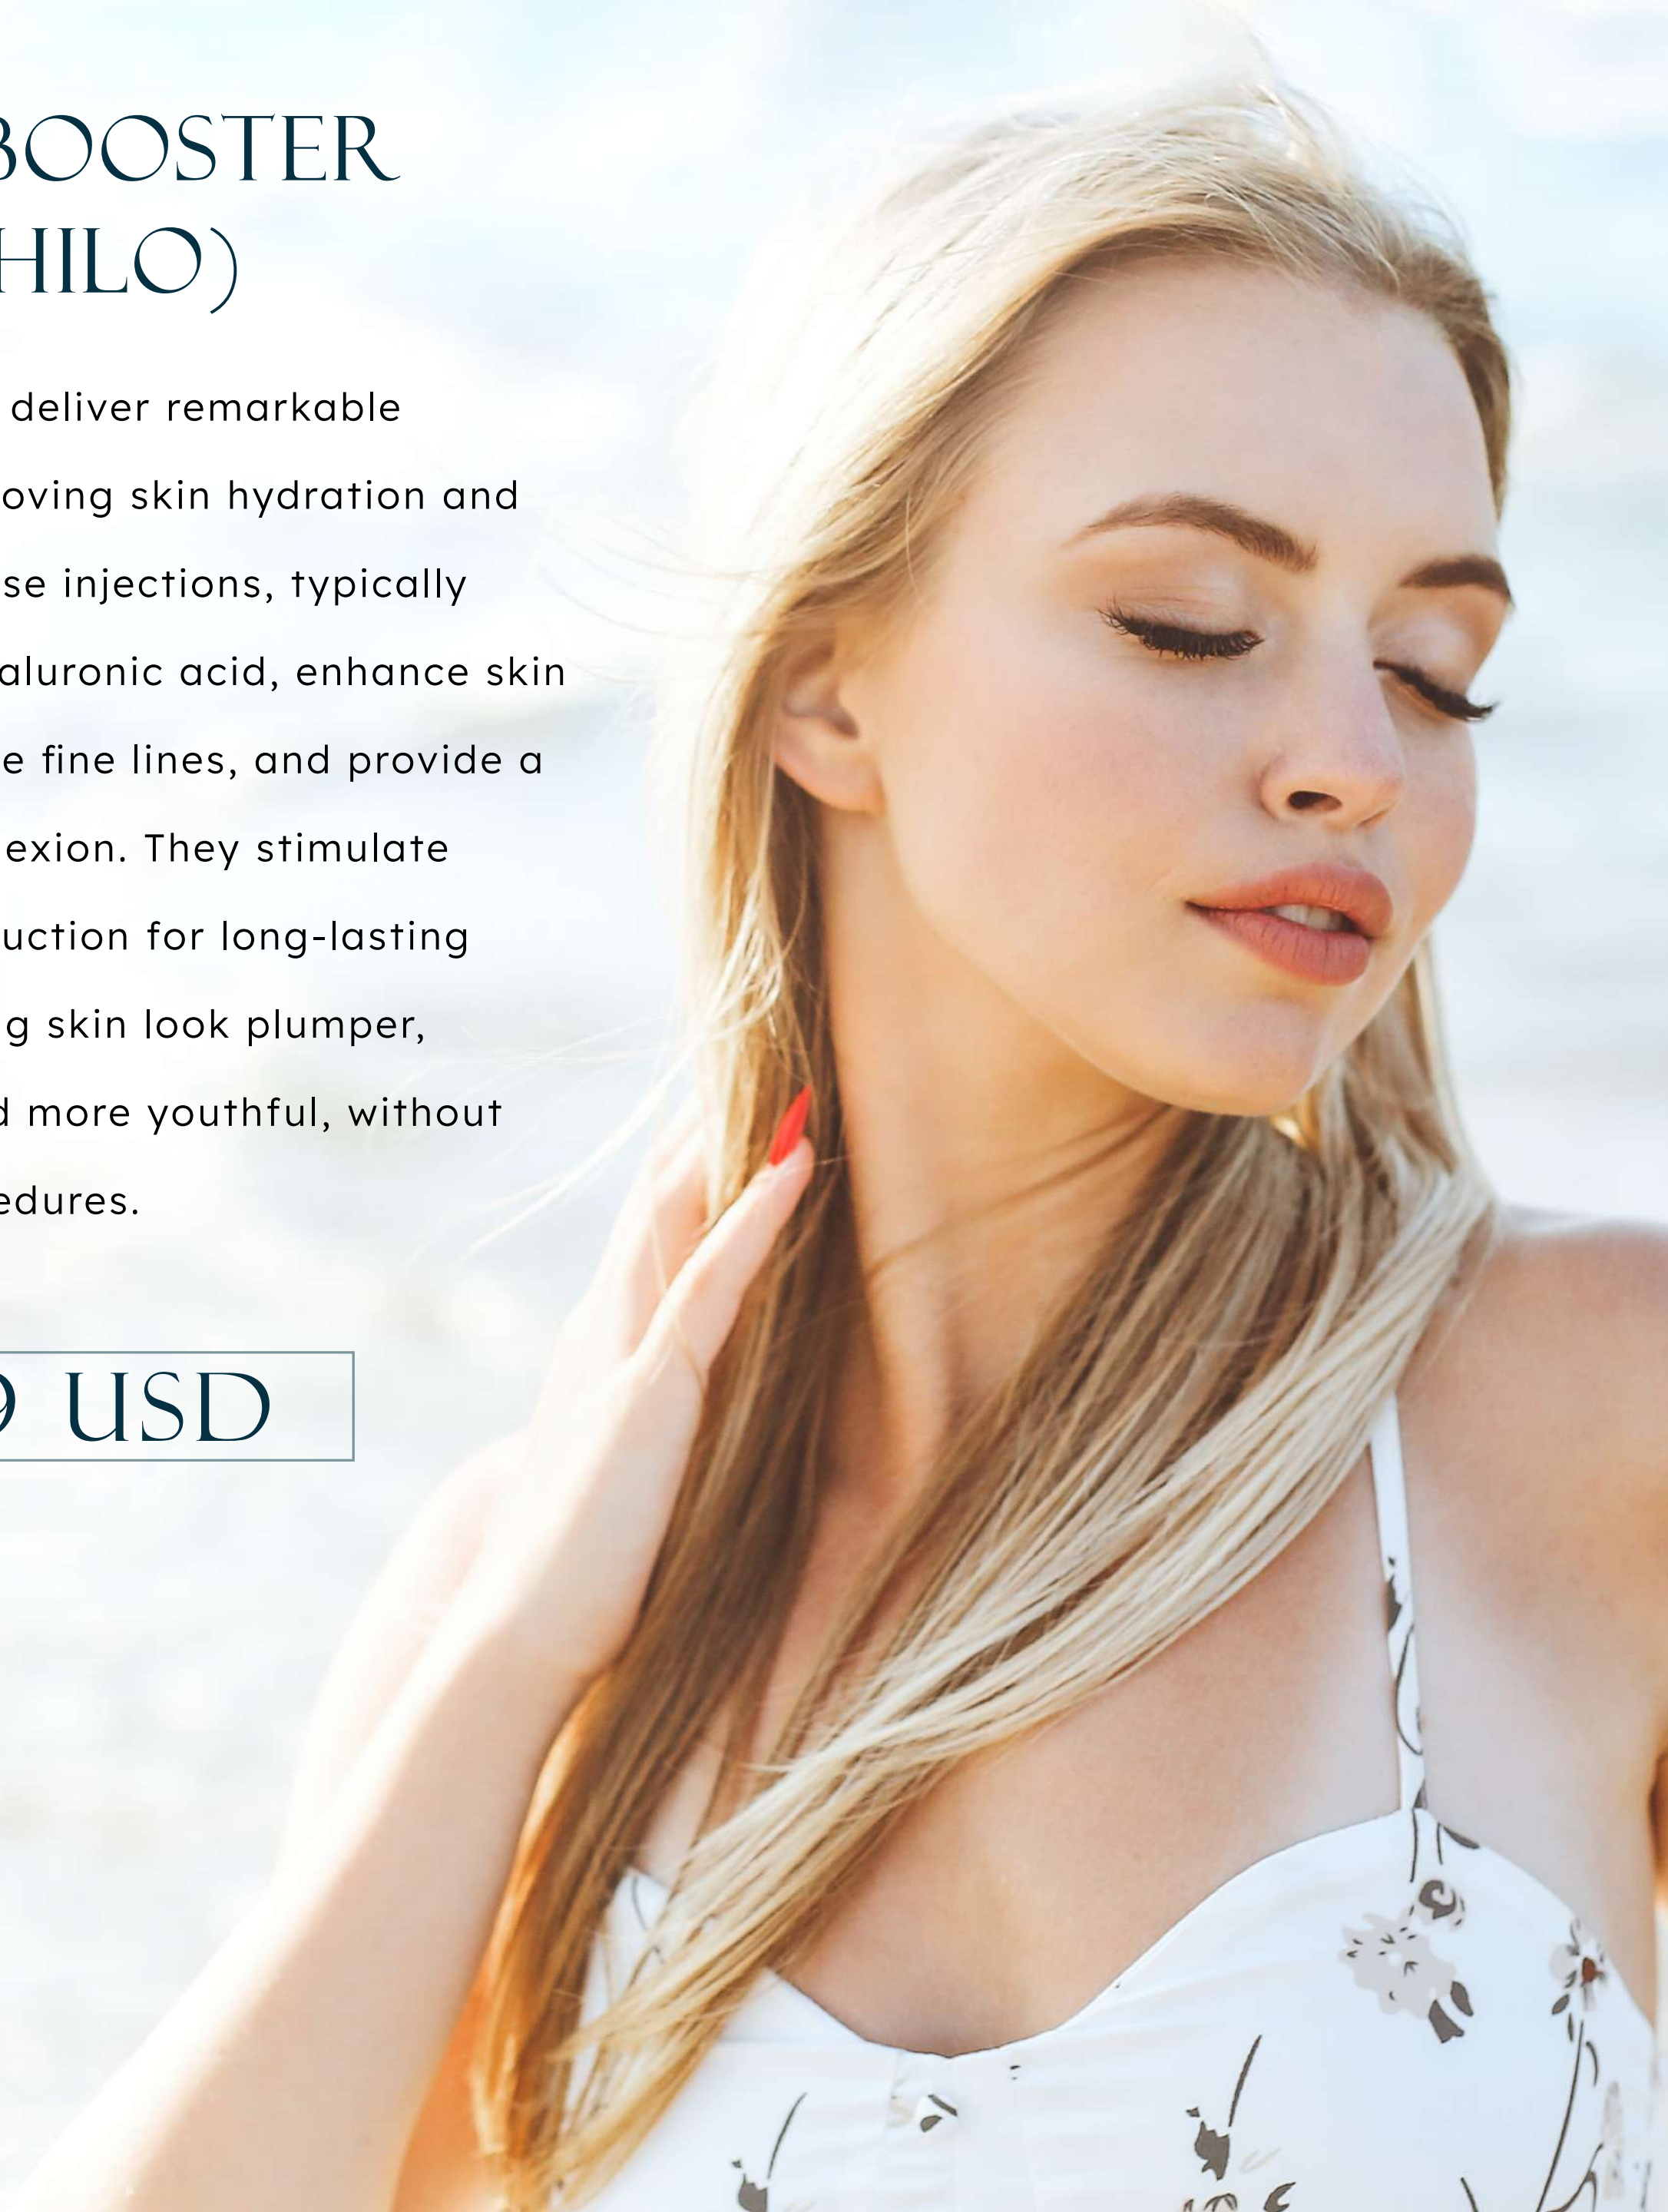

\$1,045 USD

7 SKIN BOOSTER (PROFHILO)

Skin boosters deliver remarkable benefits, improving skin hydration and elasticity. These injections, typically containing hyaluronic acid, enhance skin quality, reduce fine lines, and provide a radiant complexion. They stimulate collagen production for long-lasting results, making skin look plumper, smoother, and more youthful, without invasive procedures.
